Notes (derived from collective meaning of each group of Hebrew letters)

- 1 "Behold, the Lamb, that took away." Jesus appears in the 5th Millennium to atone for the sins of the people.
 - 2 "Sound, hook, sea/water chaos, dominion of wickedness, earthquakes." The current 6th Millennium of today's generation can expect a tumultuous time of social & climactic upheaval due to the final battle between good & evil, with a deceitful utilization of sound in some way to snare people.
 - 3 The letter tzaddi means "hunt, righteous". As in the days of Sodom & Gomorrah, when the Lord was hunting for the few righteous, now in this generation the righteous shall be hunted by satellite tracking, cellular monitoring, and military tracking technology of infrared, helicopters, and search patrol computer databases (persecution).
 - 4 The 7th millennium is characterized by "harvest, heir, kingdom, angels, taking away of wickedness, and a do-over" when Jesus rules & reigns a thousand years upon the earth.
 - 5 Tau is the symbol for "sign", a plus sign, as in more to add, a crossroads between time and eternity, in the 1st Millennium column and in the Eternity column, signifying a beginning and an end, the alpha and the omega. (Jesus, hung on a cross)
